

Conventional Interface Backup Pads others and mandrels # 150mm - Norton

Artical Number: 63642567840

EAN: 3157625336414

SizeDerived: 150mm

Description

Self-Grip interface pads have a quick release backing that allows quick and easy disc changing, increasing performance by minimising downtime. The foam layer absorbs unevenness in the surface, helping to maintain an excellent cutting action providing a very homogenous, high quality finish.

Features & Benefits

Soft flat interfaces for finishing operations to reduce the risk of scratches thanks to the natural rubber and the gripping system, which features the 'flat-top mushroom' shape
